

county wide food drive

because hunger hasn't gone away

October 8-13, 2012

PLEASE HELP!

HOW TO HELP:

Request paper bags to fill with donated items, provide volunteers to be stationed at local grocers, help pre-bag and pre-flyer, do route collection, sorting, & boxing.

GOAL:

Our goal is to collect **100 tons** of food and personal care items county-wide.

WHY:

Because hunger hasn't gone away. The food collected will go to area food pantries to provide emergency support for local families and the elderly.

Please contact
