The Access Hunger Walk is now

The Access Walk for Good Food

WHY THE NAME CHANGE?

“Hunger” can be hard to define and even harder to solve. While feeding people to address hunger is important, the goal of the Hunger Walk has been to fund organizations that are addressing root causes of food insecurity and poverty. The name change more accurately reflects the mission of the organizations that receive funding from the Walk as together we seek to cultivate a Good Food System in which **healthy** (food that provides nourishment and enables people to thrive), **fair** (food that no one along the production line was exploited during its creation), **affordable** (food that all people have access to it), and **green** (food that was produced in a manner that is environmentally sustainable) food are available to all.

WHAT IS THE ACCESS WALK FOR GOOD FOOD?

The Access Walk for Good Food, formerly the Hunger Walk, is an annual 5k walk through downtown Grand Rapids. We enlist the people in our community to raise awareness and financial support for 20 local and international nonprofits. The work of the recipient organizations fall under our Good Food Systems values and ranges from community gardening projects, food systems policy work, nutrition programs, food pantries and gleaning programs, to food justice and community development initiatives. These organizations are not only meeting immediate needs, but are working to create a just, healthy, and sustainable food system. In the past 40 years the Walk has raised over \$6 million for dozens of local and international non-profit organizations. Our Goal this year is to have over 1,000 walkers and raise over \$110,000!

WHY SPONSOR?

When we walk together, we take a public stand against the injustices that abound in our food system and the barriers that keep many families from overcoming poverty. Participants often walk with family and friends, sharing the joy of standing with organizations who represent the value of social good. Businesses who sponsor the event are investing into organizations committed to developing wholistic and innovative solutions to poverty.

DO GOOD: SUPPORT THE WALK FINANCIALLY

Business sponsors directly fund the 20 non-profit recipients of the Walk. In addition to sponsoring financially, consider forming a walk team from your business to involve employees in a healthy activity for a great cause.

SHOW GOOD: DEMONSTRATE YOUR BUSINESS' COMMITMENT TO THESE VALUES

- HEALTH:** Refusing to settle for unhealthy, highly processed food.
- SUSTAINABILITY:** Advocating for eco-friendly food production.
- FAIRNESS:** Choosing to purchase food from non-exploited workers.
- AFFORDABILITY:** Working to make healthy food options accessible to everyone.
- COMMUNITY:** Strengthening one another through shared experiences and working together.
- VISION:** we are in the business of long-term, sustainable change that moves toward creating a Good Food system for all

MEET GOOD: EXPOSE YOUR BRAND TO NEW CONSUMERS WHO SHARE YOUR VALUES

Sponsoring the Access Walk for Good Food makes your business more visible, appealing, and exciting to West Michigan consumers. Through the Walk platform, your business information will reach thousands of people across West Michigan.
