TOTAL CHOLESTEROL:_____ BLOOD PRESSURE:_____/_____ AIC:_____ (Diabetes Only)

*This information is crucial to tracking the effectiveness of the NOW Program. Without this information, we cannot measure the patients, or the program's success. Because of this, referrals with incomplete lipid panel information cannot be processed.
**LDL may not always be available due to trigs #. In this case, incomplete information is acceptable.

PATIENT SIGNATURE:
(Optional authorization to release records) _____
The above signature states that the patient gives authorization for Access of West Michigan to receive the health records needed to be part of the NOW Program. Access of West Michigan is not a covered entity under HIPPA but will take all necessary precautions to keep confidential health information private and secure.

REFERRAL INFORMATION:
REFERRER NAME:_____ CLINIC: _____
PHONE: _____ FAX: _____
EMAIL: _____
*Upon receipt of referral, Access will confirm that we have all the information needed.

SEND THIS FORM IN ONE OF THE FOLLOWING WAYS:

- Email to now@accessofwestmichigan.org
- Fax to 616.988.8714

*Upon acceptance, the patient will be contacted by Access and will be released in quarterly cohorts; each referral is good for one year, pending completion of program requirements. For general questions contact Nancy Brubaker at nancy@accessofwestmichigan.org or 616.774.2175 x109
