

Access of West Michigan Development Coordinator Job Description

Who We Are

Celebrating the activity of God in our midst, the mission of Access is to strengthen and develop wholistic solutions to poverty by cultivating equitable systems through education and collaboration. Over the last 5 years Access has reframed our approach to poverty by focusing on prevention through systems change. Our three initiatives are Good Food Systems, Congregation Connections, and Poverty Education. The Good Food Systems initiative focuses on growing a local food system that is fair, green, healthy, and affordable for all. Through Congregation Connections, Access connects the faith-based community to issues of justice and stewardship within benevolence outreach. Poverty Education exists to overcome misconceptions about poverty and motivate people to become involved in activities that promote justice in our communities, as well as provide economic opportunity for our workshop staffers.
